School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

School Mission Statement:

At Katella High School, our mission is to prepare students for life after high school.

School Vision Statement:

We Are Katella: Embracing, Evolving, Empowering

In addition to this mission statement, the school is committed to being a reflective learning community as part of a plan to improve student learning and achievement. The staff, by departments, has a written curriculum that is rigorous, relevant, and that will be implemented with fidelity. Katella is committed to improving instruction by using research-based strategies, data-driven decision-making, and implementing a shared decision-making process for strategic planning.

Educational Highlights:

Katella High School is very proud of the increase in Advanced Placement Courses offered in the past few years. During the 2018-19 school year, 409 students took 667 exams. The school currently offers the following Advanced Placement courses: English Language/Composition, English Literature, European History, Psychology, American Government, US History, Calculus, Biology, Chemistry, Environmental Science, Physics, Computer Science and Spanish Language.

Additionally, Katella High School offers a variety of on-campus Career Technical Education (CTE) pathways and Regional Occupational Program (ROP) courses, whereby students may graduate with career distinction. The industry sectors include: Hospitality, Tourism, and Recreation; Residential and Commercial Construction; Education, Child Development and Family Services; Public Safety; Design, Visual and Media Arts; System Diagnostics and Services; Media Production Arts; Food Service and Hospitality; and Patient Care and Emergency Response.

Katella offers a full-time College and Career Center that provides direct support to students applying to college and completing their FAFSA forms. Currently, over 80% of our seniors apply for financial aid and 85% complete a college application.

The Band, Choir, and Drama programs are thriving at Katella under two new directors. Our athletic program recently won multiple championships.

Demographic Information:

Katella High School, located in Anaheim, California, currently serves approximately 2,785 students, of which 84% are socio-economically disadvantaged, 20.9% are English Learners, and 11.9% are Students with Disabilities. The demographic profile also indicates the following regarding student subgroups: 88.9% Hispanic, 4.42% White, 3.09% Asian, 1.58% African-American, 1.15% Filipino, and approximately 1% other ethnicities. These students are served by a staff of 113 teachers, 3 administrators, 5 counselors, and 80 classified support staff.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: September 2020

All content subject areas utilize standards-aligned, State and District adopted textbooks and instructional materials. Teachers have input into the textbook selection process at the district-level through an established curriculum cycle. Teachers are given in-depth training on the instructional materials and the ancillary materials that accompany the basic textbook material. Ancillary materials support both the language needs and the learning needs of students.

This information was collected in September 2018.

School Facility Conditions and Planned Improvements

Katella High School opened in 1966. The 39.1 acre site includes 60 regular classrooms and 32 portable classrooms. There are 26 labs, which are designed for specific programs (i.e. computer lab, science lab, choral music room, etc.). The site also includes an auditorium, a cafeteria, a media center, two gyms and a pool facility, and a variety of sports fields.

Maintenance and Repair: Site and District maintenance staff ensure that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority.

Cleaning Process and Schedule: The District's Board of Trustees has adopted cleaning standards for all schools. The administration works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. All classrooms and restrooms are cleaned daily. Deep cleaning, including waxing of floors and painting, takes place during times when students are not in classes. Students, parents and staff are encouraged to report any objectionable conditions via a uniform complaint procedure.

A large modernization and construction project was completed in March of 2009, which included several new classrooms, and converting the media center into four classrooms and one computer lab.

The most recent site inspection was completed on October 28, 2020.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	17	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education Programs (School Year 2019-2020)

Katella High School has eight career pathways that represent several industries that suit the needs, interests, and demands of its diverse student body. During the 2017-18 school year, courses were offered in the following career industries: Arts, Media & Entertainment; Building Trades & Construction; Education, Child Development, and Family Services; Business & Finance; Hospitality, Tourism, and Recreation; Information and Communication Technologies; Public Services; and Transportation.

Our CTE pathway courses are designed using the CTE Model Curriculum Standards, ensuring that students are developing the key skills needed to succeed in both school and the workplace. All of our teachers are trained to provide the best possible instruction for all students, including those in CTE pathways, with a focus on universal design for learning, ensuring that all students can access the curriculum. Our district measures the success of our CTE programs by evaluating the graduation rate, A-G completion rate, post-secondary enrollment, and when possible the career placement of students. This data guides which CTE pathways are offered, as well as the alignment between curriculum and the needs of each industry sector. CTE teachers attend regional advisory boards for each industry sector to stay up to date on the latest trends, skills desired of employers, employment outlook, and post-secondary programs related to the industry sector. These advisory boards are provided by Vital Link, a local non-profit organization that connects businesses with school districts, ensuring that the knowledge gained at the advisory boards represents the surrounding region.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Katella High School strives to move parent participation from awareness to active involvement in the decision-making process. Parents are encouraged to actively participate in on-campus and off-campus activities for our students. All parent involvement opportunities are coordinated to ensure they support the vision, mission, and goals of our school and community. Parents are actively involved in the school through the English Learner Advisory Committee (ELAC), District English Learner Advisory Committee (DELAC), booster clubs for athletics and performing arts, and the School Site Council. Parents are encouraged to be part of their student's education and are welcome to meet with staff members to improve the learning experiences for their students.

In addition to these more traditional activities, the school provides unique services through the on-site Family Center. The Family Center's bilingual staff members help parents understand the academic procedures and services of the school, and also provide a cultural support system to parents and students.

Katella High School offers a Parent Leadership Academy 1.0 and 2.0. These are 8-week courses led by parent volunteers to teach fellow parents how to support their students' academic achievement needs. Additionally, parents can participate in a Parent Leadership Academy Book Club to examine and discuss publications relevant to parenting and education. Our Disciplina Positiva program provides parents and the community an opportunity to participate in parenting classes to improve their student's education and adolescent years with resources for supporting their students through their education and adolescent years. Katella High School offers four Parent Learning Walks, eight Coffee with the Principal, monthly parent workshops with school social worker, systems of support for McKinney Vento and foster youth, monthly parent-school and community activities with an emphasis on providing education opportunities for sped parents in the Spring of 2020, and Schoology workshops in Spring 2020.

The Aeries Communication system makes it possible for teachers, administrators, and staff to more frequently and completely communicate with parents regarding their child's progress in school, school events, meetings, and opportunities to become involved with the school through membership in English Learner Advisory Committee (ELAC), School Site Council (SSC), booster clubs, and other activities mentioned above. The school publishes and communicates all school information to the community in English and in Spanish to ensure maximum distribution and comprehension. Additionally, Aeries Student Information System training to teach parents how to access information about their student's grades, attendance, and behavioral records online.

During distant learning, these opportunities continued in a virtual platform.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	1.01	1.83	
Expulsions	.07	.003	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

School Safety Plans are reviewed, discussed, and updated on an annual basis. The School Safety Plan was reviewed July 2019. Input is gathered from staff, students, and community resource groups along with the School Site Council in order to determine any needed changes. The Katella High School Safety Plan is implemented by staff members. No less than four safety/evacuation drills are conducted throughout the school year. Students, teachers, and other faculty members are required to participate in these drills. Due to distance learning, safety/evaluation drills will be conducted upon student return.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	4

Teachers participate in a variety of District in-services as well as professional development workshops and conferences to enhance their content knowledge and instructional skills. This is in addition to four professional development days and weekly late-start meetings, which are scheduled each year for professional learning activities. New teachers are also required to participate in a teacher induction program. The District and school continue to train teachers in strategies to deliver a differentiated curriculum with depth and complexity. Teachers learn to utilize students' assessment results in order to target instruction to better meet the individual needs of students. Classified staff members have many opportunities to participate in training designed to enhance their effectiveness with students. All District staff members are supported in their efforts to deliver highly effective lessons. Teachers and administrators are given many opportunities to examine current instructional programs and strategies and realign with state curriculum performance and content standards. Research-based instructional strategies are reviewed and implemented.

In addition to what the district provides, Katella High School has weekly professional development opportunities on Tuesday's late start days. The time is utilized by departments, specialized programs, and cross-curricular articulation. All educational staff is involved in a variety of workshops and conferences.
